Volunteers To Be Honored by City of Tacoma

More than 500 volunteers today will be honored by the City of Tacoma for their many hours of dedicated service to various departments.

The Volunteer Recognition Night, which will be held at 7:30 p.m. in Tacoma's Bicentennial Pavilion at South 13th and Market St., will feature males and females of all ages who totally contribute over 60,000 hours of their time every year to help others.

"Often the needs of the community can be met only by such citizens willing to contribute their time and energy to make things better," the city's Volunteer Coordinator, Jeanne Barzar said, "Volunteers are necessary for keeping many important city programs operating."

Greeting the volunteers will be several local sporting personalities, who also depend on "volunteers" to make their accomplishments possible.

On hand will be John Thrush, 242-pound national collegiate weightlifting champion from the University of Puget Sound; Jill Sawyer, 14 year old U.S. Figure Skating champion in the novice ladies division; and Jerry Hasjford, who received an Emmy Award for his photography work on a Mt. McKinley climb. Hasjford will be accompanied by Dr. Larry Heggerness, who was also on the climb. Both are nationally recognized mountain climbers.

Application Procedures Set For Deserters

FORT LEWIS, WA.---Secretary of Defense Harold Brown recently announced detailed application procedures for the Special Discharge Review Program for certain former Vietnam era (August 4, 1964 to March 28, 1973) service members. Service members presently in a deserter status which commenced during this era may also be elibible upon return to military control and subsequent discharge.

A Joint Liaison Office (JLO) has been established in St. Louis, Mo., for the purpose of responding to inquiries and processing telephonic and/or written applications. Former service members, other than those in deserter status, may apply for discharge review simply by contacting the JLO at 800 325-4040 (Exception: In Missouri, Puerto Rico, Alaska, Hawaii, call 314 428-3500). Applications received by mail will be treated in a manner identical to telephone applications. Mail applications should be sent to: Joint Liaison Office, ATTN. Army/Navy/USMC/Air Force Liaison Team, USARCPAC, St. Louis, Missouri 63132.

The toll-free telephone number at the JLO will be capable of receiving 50 calls simultanously and will be operational between 7 a.m. central standard time (seven days per week for the first 30 days of the program, and Monday through Friday thereafter).

After their initial call, applicants will be advised by letter that they may submit additional data within 30 days for consideration by the board.

Provided there are no compelling reasons to the contrary, individuals who received undesirable discharges for service during the Vietnam era will have their discharges upgraded if they meet any one of these criteria:

... Was wounded as a result of military action.
... Received a U.S. military decoration, other than a service medal.
... Successfully completed an assignment in Southeast Asia or in the Western Pacific in support of operations in Southeast Asia.
... Completed alternative service or was excused from completion of alternative service under the clemency program instituted September 16, 1974.
... Received an Honorable Discharge from a previous tour of military service.
... Had a record of satisfactory active military service for 24 months prior to discharge.

Former service members with General Discharges also may apply for upgrading and will be considered by the board in the spirit of compassion and forgiveness in which the President has sought to bind up the divisions of the Vietnam War.

Former service members eligible to participate in the program will have six months from April 5, 1977, to make application. Individuals who have current applications pending need not reapply. Their applications will automatically be considered under this program.

Applicants for the review process who are currently in a deserter status which commenced during the period August 4, 1964 through March 28, 1973, must first return to military control and be processed for discharge. Members whose only alleged misconduct is prolonged absence will be discharged expeditiously by the parent service. It is anticipated that, if the member does not request a trial or board proceedings, this discharge will take place very soon after the service members arrives at the discharge point.

Any deserter may inquire about his status by telephoning collect the appropriate military department numbers below:

U.S. Army	317 542-3354
U.S. Navy	202 694-2386
U.S. Air Force	800 531-7500
U.S. Marine Corps	202 694-2180
U.S. Coast Guard	202 426-1317

Applicants not qualified for the special review because of other reasons will be advised that he or she may apply for review under existing procedures and that necessary forms and information will be mailed on request.

Applicants denied upgrading based on a review of the records will be offered an opportunity for a formal board hearing and personal appearance. Applicants whose undesirable discharges are not upgraded will additionally, upon request, be provided free legal counsel by the Department of Defense and a new hearing.

Where Have All The People Gone?

SCAM HAS 10 VACANCIES: There are 10 buildings setting empty in the Sheridan- Cushman-Ainsworth and M Street (from 9th to 11th) neighborhood. Those homes are in various states of repair---some overgrown, some well-kept, some rat-infested and deteriorating. One is on L Street, one on M Street, six are on Sheridan, one on Cushman, and one on Ainsworth. All have one thing in common---they have been vacant for at least two months and they aren't for sale or rent.

WHY AREN'T THERE ANY RENTAL OR "FOR SALE" SIGNS?

According to city housing data the Hilltop has lost over 25% of its housing units in the last 25 years---while the vacancy rate has tripled! Those homes which have become vacant have quickly fallen prey to the bulldozers.

In the last 15 years the SCAM neighborhood has seen:

1) Over 20 houses fall on L Street (approx. 1965).
2) At least 10 houses fall on M Street between 10th and 11th---one section is still a vacant lot (approx. 1971).
3) In 1977 10 houses vacant, 6 of them on Sheridan.

SHALL WE WATCH "THE DEATH OF A NEIGHBORHOOD" --- OR HALT THE BULLDOZERS NOW?

TEE AND TURF GOLF NEWS by Morgan Giles

The sun was bright the course was tight, and the Tee and Turf Golf Club was right! We played at Capitol City Golf Course. The fairways were good and the greens were pretty and he had a B-A-L-L. We have reached that time of the year when all of the members are getting their game together, with a few exceptions (yours truly!). Each week a different one brings in a good score. The Player-Of-The-Week our past president, Mr. Saul Arrington, posted a score of 71 gross. I know that won't be the last time (good buddy!).

We played the best 17 holes. The winners went like this:

0--12	13--18	19--24	
1st S, Arrington--58	1st Chap Smith--56	Wendler--	62
2nd F, Snapp 62	2nd D Wright 62	Groves, Sr	63

Property Tax Deadline Approaches

The deadline for payment of real and personal property taxes is rapidly approaching, Pierce County Treasurer Maurice Raymond, reminded today.

Taxpayers get a slight reprieve in the deadline date this year, due to April 30th falling on a Saturday. State law provides that, if the due date for remittance falls on a week end, the next working day, May 2nd, will be considered the due date. This applies to those paying in person at the Treasurer's Office, or at any commerical bank. Also, tax payments by mail which bear a postmarked date of May 2nd are acceptable.

Raymond added that either the first half of the 1977 taxes or the full amount may be paid. If neither amount is paid by the due date, the tax is deliquent and the full amount must be paid with interest.

Raymond also reminds that tax payments may be made by mail, or in person at the Treasurer's Office, Room 840 County-City Building, and for Taxpayers' convenience, at any commerical bank in Pierce County, and at the County Annex Building at 35th and Pine.
